New Music TBD is your one-stop source for New Music in L.A.

We are fans of experimental and exploratory music of all types:

- Contemporary classical/academic works
- Electro-acoustic and live electronic music
- Free improvisation and progressive/avant garde jazz
- Experimental world/ethnic music
- Ambient/minimalist music
- Multimedia, sound art and interactive sound installations
- Etc: pretty much anything of a type that has a hard time finding expression in the standard mainstream or traditional market channels

If you're interested in any or all of this, visit our web site for links to Los Angeles' New Music [Calendars](#), [Concert Series](#), [Venues](#), [Creators](#) and more.
